OFFICE OF PETITIONS
DEPUTY A/C PATENTS

Applicants hereby petition the Commissioner to consider the following with respect to the alleged omission of Figs. 4 and 10 from the application as filed. Applicants also are submitting the appropriate fee of \$130.00 with this Petition.

The Notice to File Missing Parts indicated that Figs. 4 and 10 appear to have been omitted from the application as originally filed. Applicants respectfully submit Fig. 4 was inadvertently misnumbered as a second Fig. 3, and Fig. 10 was actually submitted with the Appendix to the application. Enclosed is a copy of the application as originally filed. On drawing sheet 3 of 7, Fig. 4 is incorrectly labeled at the bottom of the page. The substitute drawings submitted herewith correct this typographical error.

Fig. 10 was initially submitted as a part of the Appendix. As can be seen from the copy of the application as originally filed, Fig. 10 is shown as page 4 of the Appendix. The Certificate of Mailing also references Fig. 10 as being a part of the Appendix. The substitute drawings include Fig. 10 as a new sheet 8. This sheet contains the exact same Fig. 10 as submitted with the original application.

As such, the application as filed did in fact include Figs. 4 and 10. Thus, Applicants, under paragraph I of the Notice to File Missing Parts, contend that the above-noted omitted items were in fact deposited in the Patent and Trademark Office with the non-provisional application papers. A refund of the enclosed petition fee of \$130 is hereby requested.
